**Executive Membership..... \$1,250 Fee**

Any county, public district, or other public agency located in the State of California in the counties of origin or adjacent to the central region of the Sierra Nevada who is involved in water development, acquisition, treatment, or storage. Acceptance authorizes full participation in activities and appoints a voting representative from its public entity and one alternate to represent its organization.

**General Membership..... \$500 Fee**

Any private or public district, agency, organization, or corporation involved in treating, controlling, developing, acquiring, using or supplying water for any purpose (including protecting, drainage, or reclamation of lands, and/or producing power) for the inhabitants or lands within the counties of origin or adjacent to the central region of the Sierra Nevada in the State of California. Acceptance to authorizes participation in activities but has a non-voting status.

**Individual Membership..... \$100 Fee**

Any individual interested in the water resources of the mountain counties of California may become an Individual Member of Mountain Counties upon written application, approval by the Board, and payment of the required membership dues. Acceptance to Individual Membership shall authorize participation in activities of Mountain Counties but shall not entitle any right to vote or hold office.

*(Fees are billed annually)*
