## PRESS RELEASE

June 25, 2013

FOR IMMEDIATE RELEASE

Foresthill, CA – At the regularly scheduled meeting on Wednesday, June 12, 2013, the Board of Directors of the Foresthill Public Utility District unanimously named Henry “Hank” White as the District’s new General Manager.

“Hank comes to our District with 20 years of experience managing small to medium sized special districts, both private and public. I am confident in his ability to lead our district forward in securing our water rights, managing Sugar Pine Dam, ensuring superior water quality, providing excellent customer service and maintaining fiscal responsibility”, said Foresthill Public Utility District Board President Tamra West.

As general manager of the Foresthill Public Utility District, Mr. White will oversee day-to-day operations of an agency with a \$1.9 million annual budget.

Foresthill Public Utility District was formed in 1950 pursuant to the provisions of Section 15501 et seq. of the California Public Utilities Code for the purpose of operating a water system (the “Enterprise”). The District’s service area comprises the unincorporated community of Foresthill, California, located in Placer County approximately 60 miles northeast of Sacramento. The District is governed by a five member Board of Directors and currently employs 5 full-time employees and 1 part-time employee. The District currently incorporates an area of approximately 13,000 acres and contains primarily residential development. The District as of June 1, 2013 provides 1,979 water service connections.

Mr. White possesses a Bachelor of Science in Agricultural Engineering from California Polytechnic University, San Luis Obispo. He holds a State of California, Department of Public Health Water Distribution Operator Certificate, Grade D2 and he holds a State of California Department of Pesticide Regulation Qualified Applicator License.
