

# Town Hall Meeting

## Mokelumne River Long-Term Supply Needs Assessment

The Calaveras County Water District (CCWD) and the Calaveras Public Utility District (CPUD) are hosting a town hall meeting to seek community input on a countywide long-term water supply needs assessment of the Mokelumne River, which is currently in progress. Any and all input from interested citizens and those who live in communities along the Mokelumne River is welcome and appreciated.

**Date:** Monday August 28

**Time:** 6 p.m.

**Location:** Mokelumne Hill Town Hall, 8283 Main Street

The program will begin with a short introductory presentation by CCWD and CPUD staff, followed by a technical presentation by the Districts' consultant preparing the study, ECorp Consulting, Inc. The program will close with an informal question and answer session. Staff members from both agencies will also be available after the meeting to answer any additional questions community members may have until 7:30 p.m. Light refreshments will be served.
