

# JOB VACANCY

## Water Resources Specialist

Monthly Pay Range:  
\$6,405 to \$7,787

### Information about this position:

- Provide technical support for monitoring, reporting, and protecting the District's many water supply rights
- Basic knowledge of California water systems & functions, natural resources planning concepts, & the ability to work independently.
- Ability to perform accurate and complete computation and analysis as well as develop and prepare clear and concise reports while adapting to changing regulatory environments.

CCWD is looking for the next member of our team with the ability to work with multiple District departments to provide professional support in the management of water supplies, water conservation and demand management programs, hydropower assets, and watershed resources.

**EMPLOYEE BENEFIT PACKAGE** - includes CalPERS retirement (2% @ 60 for classic members and 2% @ 62 for new members), employer-paid medical, dental, vision, disability, and life insurance; retiree health savings plan, paid vacation, holidays, and \$1,000 457 employer match.
