Date Opened: March 13, 2024

Filing Deadline: March 29, 2024 at 5:00 p.m.

Interviews tentatively scheduled for April 10, 2024.

Human Resources Technician: LV

The Human Resources Department is currently accepting applications for the position of **Administrative Technician** in the Contracts Management division of the Office of the General Counsel Department. This recruitment may be used to establish an eligibility list for use to fill future vacancies. **This position will report to the Headquarters campus located in Placerville to promote team collaboration and cohesiveness.**

Under general supervision performs a variety of highly responsible, complex and confidential administrative support functions for an assigned department; provides technical and administrative support in the preparation of correspondence, reports and other documentation; and assists with day-to-day administrative functions.

EXAMPLES OF ESSENTIAL DUTIES:

- Performs a wide variety of highly responsible, complex and sensitive duties in support of the administration of a department.
- Develops, maintains and archives a variety of letters, files and records for information related to the assigned department; maintains manuals and updates resource materials.
- Participates in budget preparation and administration; prepares cost estimates for budget recommendations; submits justifications for budget items; monitors and controls expenditures; tracks and processes purchase orders and invoices for payments.
- Sorts and distributes time sensitive or confidential mail for follow-up as necessary; independently responds to letters, electronic communication and general correspondence on behalf of the department.
- Coordinates and makes travel arrangements for department personnel; maintains appointment schedules and calendars; coordinates meetings with other District departments and divisions and outside agencies; organizes and arranges meetings, conferences and related functions.
- Represent the department at staff and administrative meetings, committees, and related meetings.
- Responds to calls and visitors; responds to requests for information and assistance; resolves customer concerns and complaints; interacts with other departments, the public and outside agencies in support of department operations.
- May research, compile, and track a variety of operational data and use said data for special projects and in the
