

El Dorado Irrigation District

## **JOB ANNOUNCEMENT**

**Position:**            **Engineering Intern**

**Salary:**             **\$20.00 per hour**

**Date Opened:**    **May 10, 2024**

**Filing Deadline:** **Open until filled**

**Human Resources Technician: LV**

---

The Human Resources Department is currently accepting applications for an **Engineering Internship** in our Engineering Division.

The successful candidate will work alongside seasoned Civil Engineers performing duties commensurate with their education and previous work experience. The more advanced in your education, the more advanced your possible projects.

Examples of duties that may be assigned include:

- Prepare and update facility operation manuals
- Develop engineering exhibits
- AutoCAD plan and detail drafting
- Prepare engineering meeting notes and agendas
- Field inspection and photo documentation
- Plan check of project drawings for adherence to District standards
- Review of construction specifications
- Review and record project as-built drawings
- Engineering calculations such as hydraulics, air release valve sizing, and other associated calculations

### **SPECIAL QUALIFICATIONS**

**Education:** In the process of obtaining a Bachelor's degree from an accredited college or university in engineering or a related field.

**License and Certificate:** Possession of, or ability to obtain, a valid California driver's license at the time of appointment. Individuals who do not meet this requirement due to physical disability will be reviewed on a case-by-case basis
